Deborah Currey, President.

**Silence in Church/Chapel**

When we enter the church or chapel we are in the presence of Christ as He exist, body, blood, soul, and divinity in the tabernacle. This requires us to exhibit reverence to Him. Some will sit in silence while others may be in prayer. All should refrain from active conversation as this will disturb the other parishioners. This is especially important in the chapel as the participants are in a much more confined area and any talking becomes a major distraction. **Being in the presence of Jesus is your time to relate to the Holy Trinity.**
