**Thank you**

The **Sacred Heart Church** would like to thank every single person for their support and generous donations to the affected families and communities that are suffering because of Hurricane Harvey.

We are very thankful and indeed blessed for being around such a wonderful community. Words simply can't express how grateful we are. Nonetheless, we would like to extend our gratitude to the volunteers for donating their time and effort for working hard hand in hand with us to cater to the needs of the Evacuees and for supporting them physically and mentally.

We ask you to please keep praying for those who had to evacuate their houses and leave everything behind; those who are suffering and are in need. We ask God to Bless and protect them wherever they are.

Thank you.
